Opis produktu

Built upon the fiery hunger of Illogium’s will to create a 3rd psyche outside of Portal and Vomitor which would explore the devotion to
the arts of Thrashing Ancient Death and Speed with the traditional essence. Elite levels of darkness and hate fused with simplified, structured head banging riffs, adorned with scathing vocals and a mix of shredding vs haunting solos.

Guitarist,‘Rotten’ (Hailing from the Brisbane Death Metal unit Pustilence) with his highly skilled virtuoso style of soloing which offsets the atonal horror of the solo work by Illogium, a complimentary guitar duo. Bass/Vocalist ‘Stillborn’ whom also bleeds over from Pustilence, unleashes a scathing presence that commands over the dual fire. Drums are pounded by CY who has graced bands in the past such as Mongrels Cross, Impetuous Ritual and Consummation. 2023 saw a demo under the guise of ‘Vulgar Overlord’ recorded via tascam 4 track, rough and raw with a limited release of 80 Red pro cassettes (which quickly sold out) In November the same year with ‘Aphotic Mote’ (of Portal) at the mixing helm the debut full length ‘Damnations Sight’, was conjured of which the results are stunning. Rich vintage and ripping guitar tones, huge drums and nasty vocals are hammered down with conviction. Invictus Productions have stepped up to release the album formats marking a union of several years between the label and Australia’s heathen underground Metal best.
