HELTER SKELTER PRODUCTIONS (distributed & marketed by REGAIN RECORDS) is proud to present a brand-new maxi-single from MAJESTIC MASS, Onwards, on CD and 12" vinyl formats.

One of the underground's best-kept secrets, MAJESTIC MASS made their public debut with the full-length Savage Empire of Death in 2018. Utterly obsessed with the rockin' 'n' raucous noise these Danes so effortlessly created, HELTER SKELTER picked up the album for vinyl and cassette editions, and has now forged a blood pact with the band for an onslaught of upcoming releases.

Of them, the Onwards maxi-single consolidates MAJESTIC MASS' undeniable charm into a taut, two-song fury of fun and filth. Like the bastard son of Barathrum and Death SS, MAJESTIC MASS wring forth a gooey crunge of pounding metalROCK lysergically laced with haunted-house organ and no small amount of bravado, all of it pushed well into the black - in all senses of the word. Put another way, these two songs are equally suited for Monsters of Rock-sized stadiums and cavernous, literally-underground clubs alike! If you can't get down with Onwards, then it's quite possible you're already DEAD.
