Opis produktu

Manifestation is a compilation album with bonus live tracks from American monster death metal band Malevolent Creation originally released in 2000!

MALEVOLENT CREATION established themselves within the underground scene in the late 80’s when fellow American acts such as Cannibal Corpse, Immolation, Suffocation, Morbid Angel, Obituary, Monstrosity, Autopsy and many others.

Metal that broke boundaries and plunged headlong into the macabre and extreme!
