Opis produktu

THE CRYPT is proud to announce our cooperation with Dutch based speed / thrash metal act MANDATOR to release their 1989 sophomore classic thrash album "Perfect Progeny" along with their 1993 "Strangled" demo as bonus tracks.

This 2LP will be designed after the original releases, taking elements from the original layouts with attention to detail, even down to the logo and typeface for a touch of nostalgia. Also included are classic, unpublished band photos and brand new liner notes from original founding member Marcel Verdurmen.

Limited to 175 copies on black vinyl.
