### Opis produktu

"La Grande Danse Macabre" album (2001), which presents a more varied and darker approach compared to the Swedish black metal titans' usual blastbeat-driven full on assault. Created in close cooperation with the band, this re-release features remastered sound (done by bassist Devo Andersson), detailed liner notes, unpublished photos, revamped artwork by Death Wolf vocalist Maelstrom and bonus material on the CD version: a cover version of "Samhain" (originally by pre-DANZIG punk outfit SAMHAIN) and all three tracks from the "Obedience" EP (2000). Expect nothing but perfect extreme black metal pleasure!

Re-issue, CD jewelcase with 20 page booklet on 135g art paper.
