### Opis produktu

"La Grande Danse Macabre" album (2001), which presents a more varied and darker approach compared to the Swedish black metal titans' usual blastbeat-driven full on assault. Created in close cooperation with the band, this re-release features remastered sound (done by bassist Devo Andersson). Expect nothing but perfect extreme black metal pleasure!

Re-issue, 375x black 12" (180g) in a microtenne innerbag, printed innersleeve, full-color on 220g, jacket full-color with black flood inside on 350g, all assembled in a PVC overbag.
