Opis produktu

Sweden's MARDUK are not only one of the most long running and respected black metal acts out there, but also one of the most productive. Even fourteen albums into their storied career, the quartet have never ever delivered a weak album and never wavered from their path of utter blasphemy and misanthropic contempt. 2004's “Plague Angel” was the first release featuring current vocalist Mortuus (Funeral Mist, Triumphator) who played a pivotal role in MARDUK's reinvigoration after the departure of previous singer Legion. He brought a new level of vocal and lyrical intensity plus a frightening stage presence into the game catapulting the group to new heights. Now, it will finally be made available! Remastered by Patrick W. Engel.

Reprint, 500x white with black marble effect 12" (180g) in a black poly-lined innerbag, Printed insert on 250g, poster 60x60cm full-color on 150g art paper, gatefold, full-color on 350g, all assembled in a PVC overbag.
