Opis produktu

Formed in 1990, Sweden's MARDUK are not only one of the most long running and respected black metal acts out there, but also one of the most productive. Even thirteen albums into their storied career, the quartet have never ever delivered a weak album and never wavered from their path of utter blasphemy and misanthropic contempt.
Now, Century Media Records, Osmose Productions and the band are re-visiting various much sought after titles from their vast catalogue: 2004's “Plague Angel” was the first release featuring current vocalist Mortuus (Funeral Mist, Triumphator) who played a pivotal role in MARDUK's reinvigoration after the departure of previous singer Legion. He brought a new level of vocal and lyrical intensity plus a frightening stage presence into the game catapulting the group to new heights.

Reprint, 400x red opaque 2x12" (180g) - white silkscreen print on D side, in black poly-lined innerbag, 2 page insert full-color on 250g, gatefold, full-color on 350g, all assembled in a PVC overbag.
