Opis produktu

Originally released in 2006, ***Feeding the Abcess*** showcases Canada's **MARTYR** as one of the most jaw-droppingly complex, progressive , and extreme metal bands ever. ***Feeding The Abscess*** is **MARTYR**'s 3rd full-length album, and to this day, it remains a synthetic blend of Death Metal's most creative corner. Fast shredding, incredibly precise and technical writing, even incorporating a cybernetic feel*;* ***Feeding the Abscess*** defines the term "progressive".
