Opis produktu

“Enjoy The Violence” (1991) is part of a series of official re-issues of the first three classic albums by the French death/thrash legend MASSACRA.

Expanded with improved artwork, remastering by Patrick W. Engel (Asphyx, Desaster, Darkthrone etc), rare & previously unreleased bonus tracks (on the CD version), extensive booklet (30x30cm LP booklet / 24 pages CD booklet) with tons of rare photos, all lyrics, and interview with original guitarist Jean-Marc Tristani!

A must-have for fans of classic SEPULTURA, POSSESSED, old KREATOR, MORBID ANGEL and simply killer rabid & raw extreme metal!
