Opis produktu

Master’s Hammer (CZ) – Jilemnický okultista – 2LP

Jihosound Records 2024

Black double-vinyl (lim.800), 4-page 12″ booklet, archive graphics, new mastering

Cult Black Metal from Czech Republic

Three essential albums – *„Ritual“*, *„Jilemnický okultista“* and *„Vracejte konve na místo“*, will be reissued on vinyl and jewel-case CD in mid-November.

Their preparation required several months of work:
The band found the original production tape from 1991 for *„Ritual“* and achieved a result that sonically surpasses the original release.
„Jilemnický okultista“ and *„Vracejte konve na místo“*, underwent new, more sensitive re-mastering.
All titles will be released as gatefold double vinyls and jewel-case CDs.The new artwork includes original, some previously unpublished illustrations and photographs reproduced in the highest quality. The inserted double sheets of the vinyls contain not only lyrics and archival documents but also current interviews with František Štorm.
