Opis produktu

Sepulchral Voice, black vinyl, printed inner sleeve, Bestial THRASH METAL from the deepest pits of chilean hell. MAYHEMIC attack with teutonic heart and south american heat. The Darkest Age´ is a compilation of all their studio recordings up to this date (Demo / EP / Mini album + bonus). Imagine black Ruhrpott coal burning in a furnace in Santiago or better, if you combine the wilderness of old Sodom, the violence of old Kreator and the precision of old swedish Merciless with the south american volcanic approach, you should get the picture. Sometimes old blades cut deeper.
