Opis produktu

12" silver vinyl (33 rpm) in deluxe gatefold sleeve with glossy varnish. Strictly limited to 350 copies worldwide.

In recent years, many Polish black metal bands have found their way to the forefront of the scene. Sharing live musicians with the titans of Mglą, MEDICO PESTE approach common narratives in black metal from a darker and more twisted state of mind than their fellow countrymen. The five-piece embrace a different look at death, religion, the Devil and his work, by exploring the distorted views of a tormented, neurotic subject and his schizophrenic visions.

Side A

God Knows Why / All Too Human / Numinous Catastrophy

Side B

Were Saviours Believers? / Skin / Holy Opium / The Black Bile
