Mefisto (SWE) – Megalomania/The Puzzle

Official reissue of both legendary demo's from the Swedish 80s black/thrash metal undergound legends MEFISTO.

1986: Next to mighty BATHORY, MERCILESS, OBSCURITY and later MORBID and NIHILIST, MEFISTO were one of the first bands, which proudly hold high the flag of extreme metal underground in Sweden. Although they never made it out of the underground, these two demos are a testament to how vibrant and active the scene was in the 80's. A scene that would cause a sensation, especially in Sweden, just a short time later...

Remastered for this DSR reissue by Dan Swanö at Unisound, July 2023.
