Opis produktu

Those Who Reign Below is the 8th studio album in the purest tradition of old school death metal, a work of musical impiety, a death metal as hateful as much as aggressive, switching imposing mid-tempos and demonic accelerations, sulphureous melodies and vocals straight from the devil's forge. An aura of evil surrounds each track, in a veritable debauchery of hate that gives the impression of having witnessed the manifestation of the devil.
This album represents the extreme and uncompromising side of MERCYLESS, which has grown steadily over the years, in a blasphemous symphony inherited from the 90s Death Metal.
The cover was designed by Mexican artist Nestor Avalos, whose talent represents all the darkness emanating from this album.
The production was entrusted to Raph Henry of HELDSCALLA studio, who sculpted a sound highly representative of the violence and anger of this extreme and irreligious music.

It's a tribute to the underground, to the man who blends in with the crowd and takes on a presence so frightening that he's so clearly recognizable... the Devil... on his throne, majestic and merciless!"

Reprint, grey with black splatters 12" in a microtene innerbag, printed innersleeve, full-color on 220g carton, gatefold jacket, full-color pinted on 350g carton, all assembled in a plastic overbag.
