Opis produktu

Kneel before the throne of the “Cursed Redeemer”! Death metal of punishing intensity from Sweden is what MIASMAL offer on their second album containing eight gloomy, powerful, straight-forward and memorable songs with roaring growls, a punkish drive, massive riffs and stunning guitar melodies. Recorded at Studio Fredman (At The Gates, Vomitory) and visually garnered with a cover artwork by Mattias Frisk (Ghost, Vampire, Maim), “Cursed Redeemer” is an unforgettable lesson on what pure, unaffected death metal is about: brutal music with no mercy, no regrets, no ritualistic bullshit, no compromises.
