Opis produktu

Miasmata is the new solo project from New Zealand musician Mike Wilson. Blending elements of black metal with huge doses heavy metal majesty, "Unlight: Songs of Earth and Atrophy" is a high-energy journey through worlds in chaos, either self-inflicted or brought on by more sinister, fantastical means.

Format: CD in 4-Panel DigiPak with glossy varnish and booklet + Download (mp3|BC-Code on request)

Limitation: firest press 150 copies
