Opis produktu

Miasmes, formed in 2021 by G. bass/vocals (ex-Ritualization, Antaeus live), K. guitar (ex-Como Muertos) and C. drums, delivers an old-fashioned, raw and dirty Black Metal, tinted with Rock’n Roll for the structure of the songs as well as Punk for the aggressiveness and energy! The lyrics are entirely written in French and the main themes are the human decay, death and apostasy. In August 2021 Miasmes recorded live its first 5-track EP “Vermines” (except for the guitar solos) with no metronome nor editing, to keep it raw and authentic as Black metal should be.
