Opis produktu

JEWEL CASE

The notorious and prolific Cleveland cult, **Midnight**, have been slaying the metal/punk underground with their own, highly addictive brand of lust, filth, and sleaze dating back to the band's inception in 2003. Filthy, belligerent and obnoxious, Midnight make music to start fights to. One-man-band, Athenar, has been churning out an ungodly racket, dropping countless demos, splits and EPs, and in 2024 he returns with **Midnight's sixth full-length, Hellish Expectations**.
