Opis produktu

Since their formation in 2007, MINENWERFER have pursued a proud 'n' pure vision of black metal idiosyncratically focused on World War I - idiosyncratic, in the sense that the band hail from America but mostly sing in German. What has resulted is a startlingly accomplished canon that has quietly built itself into prolific proportions, with their first album arriving in 2010, followed by albums in 2012 and 2019, and a slew of split releases and EPs in the interim.

Of those many short-length releases, *Der Rote Kampfflieger* is the oldest and perhaps most curious. Here, MINENWERFER offered the new track "Ace of Aces," the reworked "Albatros in Flammen," and two very surprising covers: deep martial industrial artist Striider's "Schützengraben" and legendary shredder Yngwie J. Malmsteen's early scorching "I am a Viking." MINENWERFER for sure have their own identifiable sound, but they're not afraid to push it in strange directions from time to time.

398x black 12" (180g) in a black poly-lined innerbag, download card, gatefold full color on 350g, all assembled in a PVC overbag.
