Opis produktu

A campaign started on 1 July 1916. A campaign of muddy, rat infested trenches, endless artillery barrages, and cracks of rifles in the distance. A campaign of unsettling night raids, close quarters combat, and suffocating fumes of chlorine gas.

The sound of the treads of the first tanks grinding the bones of those long dead on the battlefield to dust and of the screams from no man's land of men bleeding out in the night from the previous day's failed offensive.

This is the soundtrack for that campaign. Welcome to the Somme.

1000x heavyweight black vinyl 12" (180g) in a black poly-lined innersleeve; download card; poster A2, full-color on 150g art paper, gatefold, full-color with black flood inside, printed on 350g, all assembled in a plastic overbag.
