Opis produktu

Black 12" vinyl (33 rpm) in jacket in printed inner sleeve with double sided insert.
First pressing: 400 copies worldwide.

Though many have tried, few bands have successfully replicated the mind-bending technical death metal formula that was established during the genre’s advent by the godfathers DEATH.
That is until Italy’s MISCREANCE entered the ring in 2022 with debut full-length, ‘Convergence’.
Unlike the genre’s contemporaries who are known for speed and extremity, MISCREANCE’s artistry lies within its carefully executed precision, underscoring the focused discipline behind the music’s eloquent complexities.

For fans of DEATH (Late-era), HORRENDOUS, ATHEIST, CONTROL DENIED.
Cover by James McCarthy.

Tracklist:
Side A: Flame Of Consciousness / Fall Apart / Incubo / No Empathy
Side B: The Garden / Alchemy / My Internment / Requiem For Sanity
