Opis produktu

The Crypt is proud to announce our partnering once again with long-time Aussie Death Metal veterans MISERY to reissue their amazing 4th full length album "On Demon Wings"! Crushing and brutal Australian Death metal at its best! Having been out of print for years now, we are honored to offer this gem to the world once again!

This amazing piece of death metal history will have the same standard of quality of the previous Misery CD and LP titles from The CRYPT, and will feature the original cover art, classic band photos, liner notes and a brand new interview. On Demon Wings will be designed after the 2007 Obsidian CD release, taking elements from the original layouts with attention to detail, even down to the logo and typeface for a touch of nostalgia.

Limited to 1000 copies worldwide! Stay away from BOOTLEGS! Support the band and official releases!!
