Opis produktu

THE CRYPT is proud to announce our partnering once again with long time Aussie Death Metal veterans MISERY to release for the first time on wax, their classic brutal 1997 sophomore album "Revel In Blasphemy"! Revel In Blasphemy, is regarded by many as Misery's heaviest recorded work.

This amazing piece of history will have the same standard of quality as the original CRYPT LP version and will feature the original cover art, classic band photos, new liner notes and lyrics. This LP is designed after the original 1997 Warhead Records CD release, taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia.

Limited to 500 copies. 150 will be on Ultra Clear vinyl.
