BLACK METAL from Trondheim, Norway.
With no shortage of bands striving for anonymity purely for imagery and the sake of being “mysteriious”, draped in cloth from top to toe, there are still those who prefer lurking in the shadows without documenting it on various social media platforms.

With nothing from the past to reference, with no egos up front and center, and with no previous bands to name drop, MISOTHEIST has only the music to showcase - which speaks for itself. Striking out from the darkness like a razor sharp knife, this sonorous and merciless first release leaves a compulsion for more.
