Welcome to the third chapter of MISOTHEIST:

Vessels by which The Devil is made Flesh

The band continues where *For the Glory of your Redeemer* left off, delving into a massive, profound album filled with unpredictable, intricate Black Metal as we come to expect from this band.

Its aggressive, yet beautiful, with gorgeous and sublime melodies covered in darkness and torment. Each listen reveals something new; a new detail, another riff, another twist you previously didn’t notice, making this an unbelievable album that grows and pulls you in further upon each listen. The incredible songwriting and musicianship is something this band has gotten a name for, something this album seals once and for all!

The title track features a guest appearance by IX of URFAUST.
