Opis produktu

Comes in a deluxe, high quality gatefold 2-LP, on black vinyl.

Mithotyn’s Viking Metal classic remastered and with new artwork by Kris Verwimp!

First time on vinyl and digi-CD.

In 1999 Mithotyn released their last album “Gathered Around the Oaken Table”, an album filled with soothing and intriguing melodies, Black Metal ferocity, and your classic Metal heaviness.
People who like Folk Metal, Viking Metal and Black Metal will enjoy Mithotyn’s music.

The Folk elements, the Viking lyrics and the musical influences from black metal are greatly mixed in this album.

The album is very melodic and soothing but also heavy, catchy and aggressive, and intense at times. But the album is not as heavy as other Viking Meal bands, like Amon Amarth. Thanks to a great song variety makes this album to a long-lasting album, if you like it you will definitely want to listen it over and over again. If there are any Vikings left out there, then raise your horns and hail Mithotyn so they will always be remembered!

• One of the original Viking themed bands, together with Thyrfing, Manegarm, Einherjer, Ensiferum
• Recorded at Berno Studio (Amon Amarth, The Haunted, Inflames)
• Remastered sound by Nightside Audio (God Macabre, Skymning)
• New fantastic artwork by Kris Verwimp (Absu, Thyrfing, Marduk, Vintersorg) with respect to the original
• First time on vinyl as a deluxe gatefold 2-LP
• CD re-issue on a deluxe 6-panel digipack
