### Opis produktu

THE CRYPT is honored again to work with original members Øystein G. Brun and Erlend Erichsen from the legendary Norse death metal act MOLESTED to reissue the classic mini album "Stormvold". Also included are the original Stalk the Dead and Unborn Woods in Doom demos. All audio files mastered from the original DAT tapes courtesy of Øystein.

This DLP is designed after the original CD and releases, taking elements from the original layouts with attention to detail, even down to the logo and typeface for a touch of nostalgia. This will be the ultimate 2LP version of this classic death metal masterpiece. Brand new liner notes from Erlend Erichsen.

175 copies will be on gold / black A/B side wax!
