### Opis produktu

THE CRYPT Presents for the first time on LP, the long out of print 1994 obscure death metal classic debut album from Poland's MONASTYR - "Never Dreaming". Dark and disgusting, classic and brutal old school death metal with a gloomy subterranean atmosphere, guaranteed to satisfy fans of all extreme metal!

This amazing piece of history will have the same standard of quality as expected from CRYPT LPs and features the original cover artwork, classic band photos and lyrics. This LP is designed after the original 1994 CD release, taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia. ULTRA-Limited to 300 copies, 100 copies will be on classic black vinyl, 100 on ruby red vinyl and 100 crystal clear vinyl.
