Opis produktu

POZYCJA POWINNA BYĆ DOSTĘPNA GDZIEŚ W POŁOWIE LISTOPADA !!!

Ltd.Ed.500 Re-Issue on "Poltergeist" grey-brown marbled vinyl including 4 pages LP booklet!

Formed in August 1990, Monstrosity burst onto the scene with their explosive demo *Horror Infinity*, which gained traction through the global underground tape-trading network. This led to their debut album, *Imperial Doom* (1992), with Nuclear Blast, followed by extensive touring across Europe, Mexico, and the U.S., supporting acts like Pantera, Deicide, Overkill, and Pestilence.

Their second album, ***Millennium*** (1996), released under Conquest Music Inc., marked a significant milestone in their career, broadening their audience through extensive tours across the United States and Latin America, including notable performances in Peru and Colombia. These efforts solidified their growing international presence and established them as a formidable force in the heavy metal scene.

In 1999, the release of ***In Dark Purity*** represented another pinnacle moment for the band, showcasing a masterful evolution of their signature sound. Partnering Conquest Music Inc. with Olympic/Polygram Records, the album secured major label distribution, amplifying its reach to a broader audience.
