Moonlight Sorcery is working relentless towards their goal: a full-length studio album. Following two acclaimed EPs released in 2022, the Finnish melodic black metal band is now completing the work on their first complete studio recording, Horned Lord of the Throned Castle, which will see the light in September 2023. Today we proudly present you the first taste of such opus: Burning Embrace, a 7'' single containing a brand-new song, "In Coldest Embrace", and Moonlight Sorcery's own reinterpretation of Deep Purple's classic "Burn".
"In Coldest Embrace" composed by Loitsumestari Taikakallo, lyrics by Ruttomieli and arrangements by Moonlight Sorcery. Session drums by Tommi "Tomahawk" Tuhkala recorded in Wolfthrone Studios and produced by Owe Inborr.
Clean vocals on "Burn" by Loitsumestari Taikakallo, "Burn" originally by Deep Purple (written by Ritchie Blackmore, David Coverdale, Jon Lord, Ian Paice, and Glenn Hughes).

Mixed and mastered at Unisound by Dan Swanö.
