Originally reissued by the esteemed Elegy Records (USA) in 2003 on audio CD, MORTE INCANDESCENTE's *...your funeral* now returns with renewed artwork courtesy of Heresie Studios. This edition features the original lyrics and brand-new photos taken at the very same location where the first ones were shot. The entire record has been fully remastered by Diogo Santana at Noise Portrait Studios, and is now available on classic black vinyl and digipak CD through Signal Rex, with the audio cassette version released by Tour de Garde (CAN).

A true gem, now immortalized in all three formats!
