Rising from the oppressive crypts of Central America, MORTUAL is ready to deliver their most unrelenting statement of intent yet. Following a trilogy of celebrated EPs, the Costa Rican death metal cult will release their long-awaited debut full-length, "Altar of Brutality", on LP, CD and MC format on July 4th, 2025 through Nuclear Winter Records.

Spawned in the black rain and pestilent winds of San José, "Altar of Brutality" is a declaration of total spiritual negation: eight impure hymns steeped in decay, fanatic violence and the iconoclastic hunger to desecrate all that is sacred. Carrying forward the cursed legacy of their previous EP "Evil Incarnation", MORTUAL now reach deeper into the void, channeling a darker, more oppressive sound, dripping with heretical intent and sharpened through years of relentless underground devotion.

This is not a reinvention, but a declaration, a brutal affirmation of death metal's primal force. With "Altar of Brutality", MORTUAL summon a vision of spiritual ruin and corporeal decay, wrapped in chains of riffs, blasts and unwavering intensity.
