Opis produktu

Swiss Grind monsters return to the fold with their second Relapse full length 'Flies Will Starve'. Four years in the making, 'Flies Will Starve' further establishes Mumakil as behemoths of the grind-scene---24 overgrown songs of pounding blasting fury that make you feel like you've been run over by a herd of the fictional multi-tusked elephant beasts from which the band derived their name. An absolute must for grind-freaks the world over.
