Opis produktu

This is a compilation of all of Mythic's previous works.

Track origins:
Tracks 1-3 (Mourning in the Winter Solstice E.P.)
Tracks 4-9 (Mythic - The Immortal Realm Demo 1991)
Tracks 10-12 (Rehearsal Tape 1991)

From the Mythic website maintained by Dana Duffey: "This CD was to be released on Steel Cage Records but Mary & Terri did not want it to come out. In fact the label was threatened with a lawsuit. The booklets were already pressed and as a founding member of Mythic and the songwriter and main lyricist, I believe people have the right to hear Mythic material and have it all on a one CD. Therefore, I am offering you the professionally printed booklet along with a CDR copy of the mastered material in a clear jewel case for FREE - all you pay is $6.00 for shipping & handling ($8.00 overseas).
The CD includes all of the material Mythic ever recorded - a 3 song rehearsal tape, the 6 song live demo "The Immortal Realm" and the MCD on Relapse Records "Mourning in the Winter Solstice". That's 12 songs. All songs have been re mastered. The booklet contains lots of pictures and a biography".

The CD-r was sold until May 2015. It contained the officially printed booklet and inlay by Steel Cage Records, which also had a barcode on it: 89653200265.

Disc 2: Live at Cleveland Splatter Fest, June 20, 1992.
