Formed in 1992, Umeå, Sweden’s black metal nihilists NAGLFAR were quite prolific at the front of their existence. After releasing their classic debut “Vittra” in 1995 it only took them until 1998 to unleash “Diabolical”. Century Media Records is making both of their quintessential first two albums available again. The 2023 Re-issues will come with liner notes and remastered by by Dan Swanö at Unisound (Opeth, Insomnium, Asphyx and many more). Both are available as LP with a 4p LP booklet in coloured 180g vinyl, Ltd. Digipak CD and Digital Album.
