Opis produktu

Continuing the fearless exploration of their legendary sound's outer limits, UK's Grindcore pioneers NAPALM DEATH return with "Resentment is Always Seismic - a final throw of Throes", a partner recording to their much acclaimed "Throes Of Joy In The Jaws Of Defeatism" album from 2020. Concluding matters through vital, tumultuous Grindcore and shockwave ambience, this 8-track mini-album with all previously unreleased material - including Bad Brains and SLAB! cover versions - and with a playing time of 29 minutes is being made available as limited CD Digipak, 180g LP and as Digital Album. Now, let the touring begin...

1. Narcissus
2. Resentment Always Simmers
3. By Proxy
4. People Pie [SLAB! cover]
5. Man Bites Dogged
6. Slaver Through a Repeat Performance
7. Don't Need It [Bad Brains cover]
8. Resentment is Always Seismic (Dark Sky Burial Dirge)
