Opis produktu

Continuing the fearless exploration of their legendary sound's outer limits, UK's Grindcore pioneers NAPALM DEATH return with "Resentment is Always Seismic – a final throw of Throes", a partner recording to their much acclaimed "Throes Of Joy In The Jaws Of Defeatism" album from 2020. Concluding matters through vital, tumultuous Grindcore and shockwave ambience, this 8-track mini-album with all previously unreleased material - including Bad Brains and SLAB! cover versions - and with a playing time of 29 minutes is being made available as limited CD Digipak, 180g LP and as Digital Album. Now, let the touring begin...

- 1. Narcissus
- 2. Resentment Always Simmers
- 3. By Proxy
- 4. People Pie [SLAB! cover]
- 5. Man Bites Dogged
- 6. Slaver Through a Repeat Performance
- 7. Don't Need It [Bad Brains cover]
- 8. Resentment is Always Seismic (Dark Sky Burial Dirge)
