Opis produktu

British Grindcore pioneers NAPALM DEATH never slow down, but after their much lauded 16th studio album "Throes of Joy in the Jaws of Defeatism" (2020) and a total of by now 4 decades (!) of intense and restless activity, it's time to look back and re-issue two of the outstanding albums from their ample and valuable back-catalogue: "Time Waits For No Slave" (2009) and "Utilitarian" (2012). Both albums are now finally available again as Jewelcase CD for Midprice and as LP on 180g vinyl. Look out for further NAPALM DEATH re-issues coming soon...
