Opis produktu

NASUM returns with a revitalized version of their landmark Relapse debut **Inhale/Exhale** entitled ***Inhaled/Exhaled/Revived***. Nearly 30 years on, ***Inhale/Exhale*** is as vital as ever. Highlighted as "one of the cornerstones of the international Grindcore scene in the early years of the 21st century" by Decibel Magazine, ***Inhale/Exhale's*** influence made waves not only across the Swedish underground, but has since broken through Grindcore, Metal and Crust music as a whole.

Featuring re-imagined cover art under the direction of **NASUM's** founding member and songwriter Anders Jakobson, ***Inhaled/Exhaled/Revived*** is presented as an expanded 2LP collection.

This new version of the album features remixes and a remaster from the legendary Dan Swano, as well as unreleased tracks from the same album recording session!
