Opis produktu

Necrofier (Transcend into Oblivion) 2xTranscend Vinyl

Necrofier are rewriting the rulebook in their own blood. Since 2018 the quartet has applied a spicy Texan intensity to the icy atmospheres of mid-90s Norway, and *Transcend Into Oblivion* deploys their modus operandi with more power, conviction and ingenuity than ever before. Here *Necrofier* craft a modern classic of the form, where tempestuous squalls of extremity are punctuated by sinister, melancholic, otherworldly melodies, twinkling in the gloom like will-o'-the-wisps on a black night.
