Opis produktu

Necromutilator exhume their axes and hammers striking the third full length album, this time by the claws of the mighty Osmose Productions.
Ripping riffs, bursting artillery, bloodspilling bass pulsation and vomit from the infernal pit for 8 hymns of black death and damnation, all forged in satanic power and hammering darkness throughout endless morbidity.

300x black 12" (140g) in a microtene innerbag, printed innersleeve, full-color on 220g, download card, jacket full-color printed on 350g, all assembled in a plastic overbag.
