NECROPHAGIST's seminal, tech-death masterpiece *Epitaph* unites head-spinning musicianship, elaborate arrangements and an acute sense of dynamics within composition. *Epitaph* reset the bar for complexity and technique in modern-day death metal!

Quote from Muhammed Suiçmez on *Epitaph* LP Reissue:

"'Epitaph' is such an important album to me as it had a big impact on my life and it still does. I am really happy to see it released in vinyl format again after being out of print for so long and am especially excited about the vinyl colors of the limited editions, as they turned out beautifully."
