Opis produktu

'04' is the third full-length from NEGATIVA, the longest running project by D. (DÉLIRANT, HÄSSLIG). With a runtime just north of 40 minutes, '04' proves itself a masterclass in bleak, oppressive black metal. The level of refinement on the recording only further accentuates the validity of the expressed emotions: every point-of-view that seeks to allay the malignance-of-being is naive, inferior, and ultimately noxious to the existent as a whole. Eradicate your fallacies or suffer for eternity.

Released on digital and vinyl LP by Mystískaos. Distributed by Dissociative Visions. CD version coming at a later date via Nebular Carcoma.
