The fourth full-length of Neige et Noirceur sees the band return with it's raw, ice-cold and ambient Black Metal - and a few new twists along the way. While Spiritus' style remains instantly recognizable, "Gouffre Onirique et Abîmes Cosmiques" is also probably the closer the band has ever come to the "classic" sound of the early '90s, courtesy of epic and melancholic riffs and keyboard parts. Definitely a release not to miss for fans of the band and of atmospheric Black Metal in general!
