Opis produktu

"Les Brumes Éternelles" is an EP divided in 2 chapters of 18 minutes each. The first one is atmospheric black metal with N&N's unique sonorities. Juno-60 sounds intertwined with bleak and distant melodies, creating a sonic storm over which Spiritus screams its invocations. The second part is an echo from the first. An alternative elite dark ambient take which is sure going to be the perfect soundtrack for the coming long winter nights.
