### Opis produktu

Sepulchral Productions (SP032)

Québec

Québec BM fans already know them because of their Forêt Nord-Côtière demo, their intense shows and their "fuck-it-all" attitude, others will have them in their faces soon enough!! Neige Éternelle launches at last their first mischief on CD: 8 tracks of old-school, raw and striped-down Black Metal. You don't like that? Guess what, they don't give a fuck!!
