Nero Omega (IT) – NerOmega

“NERO OMEGA is a gathering of italian musicians from Rome, who have been active for over 25 years in very different bands and musical contexts and knew each other since the mid 90ies, always sharing a passion for a certain kind of musical vibes/themes and high quality songwriting.
NerOmega meets at the crossroads of early doom, italian dark metal and progressive/psychedelic rock of old, yet finds its own unique path by being more than a sum of its elements.
Our sound reeks of doom, italian giallo/noir/horror morbidity and covid-19 insanity.”

The tape is limited to 150 black and 150 red copies. Every tape comes with an exclusive patch and button.
