Nifelheim (SWE) – Devil’s Force

After having caused a great stir with their self-titled debut, on *Devil`s Force* from 1998 the swedish savages don`t stray one inch from their path.
NIFELHEIM`s second full-length picks up the smouldering rubble from the debut and takes their unmistakable style up a notch. Aided by a slightly fuller but still gritty production, the album is a bludgeoning beast of dirty metal infused with lethal doses of satanic insanity.
Filled to the brim with memorable songs *Devil`s Force* is yet again an outright success and an indispensable underground-classic.

Black tape with a 4 panel j-card.
Limited to 300 copies.

Available as hardcover digibook CD and music cassette.
