Opis produktu

The point is simple: these songs deserve wider release than the 7'' vinyl collector's edition they received in 2020. To that end, Year of the Demon brings these treasured tracks together in one place for all to enjoy. The package is rounded off by stunning cover artwork by Don Phury. Ultimately, 'Year of the Demon' is aptly named as it captures a year in the life of NIGHT DEMON, a year in the life of all of us, like none of us have ever experienced before. It's a snapshot, a permanent marker, of that moment in time. Available as 180g LP, Ltd. CD edition (environmentally friendly packaging) and as a digital album!
